

GI Plant Hall Fundraiser Sale

The plants in the GI Plant Hall are entirely cared for by volunteers. Most of these small plants were grown from cuttings from plants in the hall or are from committee members' own collections. We use the money from these sales to buy supplies and materials like potting soil, fertilizer, pots, plant stands and more. Thank you for your support!

PRICING (cash only, please)

Extra large.....\$20

Large (larger than 4" pots).....\$8

Medium (4" pots)\$5

Small (smaller than 4" pots).....\$3
